

160-1.2 | Long reach pruner

Long reach pruning shears with lightweight aluminium handle. The knife is made of chrome-plated hardened steel and is therefore more rigid and resistant to rust. The handle is rotatable 180 degrees, and because of this you can cut branches in a hard to reach angle.

SKU:

ARS160-1.2

Length:

1200 mm

Weight:

560 gram

EAN code:

4965280685605
