

160R-1.8 | Long reach pruner

Long reach pruning shears with lightweight aluminium handle. The knife is made of chrome-plated hardened steel and is therefore more rigid and resistant to rust. The handle is rotatable 180 degrees, and because of this you can cut branches in a hard to reach angle.

SKU:

ARS160R-1.8

Weight:

710 gram

Length:

1817 mm

EAN code:

4965280685216
