

5000375 | Rivetor

For riveting work in narrow or confined spaces, the RP60 hand riveter delivers precision performance, reliability and great results. A 360° pivoting head offers true versatility while its soft grip handle and light, aluminium die cast body increases user comfort, particularly over longer periods. Other features include an integrated wrench and strong metal jaws. Designed for use with 3.2 - 4.8 mm rivets in all materials.
