

## 5000054 | Pneumatic tacker

With the PB131 professional pneumatic brad nailer, frequent use and high tempo work with wood panelling, door frames, wooden terrace planks and furniture construction is made easy. It has a strong, lightweight magnesium body and 360° adjustable air exhaust that keeps dust away from working surfaces. Other features include an adjustable, depth-of-drive function, quick reloading system, comfort grip, Easy-Clear system in the event of jamming and no-mar pad, which protects working surfaces.
